Please find the fee schedule for **Years 11/12** attached. Please complete this form and return to the school by **Friday 11th December 2020** so the school can prepare accordingly.

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, contact: **Faye Martin Ph.: 03 5784 1200 | Email: broadford.sc@education.vic.gov.au**

Payment Methods: Bpay, Cash, Credit Card, Direct Deposit

Please Note: *Additional school charges may arise during the year. For example: Camps, Sports & Excursions attract additional charges. If you are eligible for CSEF funding to assist with these costs, please complete your application form at the General Office*

Refunds

Our school will consider requests for partial or full refunds of payments made by parents on a case by case basis taking into account the individual circumstances. Generally we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment."

For further information on the Department's Parent Payment Policy please see a one page overview attached.

Yours sincerely,

Tania Pearson

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

The following is a summary of the main principles of the Parent Payments Policy:

FREE INSTRUCTION

- Schools provide students with free instruction to fulfil the standard curriculum requirements as outlined in the Victorian Curriculum F-10, VCE and VCAL.

PARENT PAYMENT REQUESTS

- Schools do not ask parents to pay for school operating costs (e.g. utility costs) or general and unspecified charges.
- Schools request payments from parents under three categories:

Essential Student Learning Items

- Items and activities which the school deems essential for student learning.
- Parents may choose to purchase essential items through the school or provide their own.

Optional Items

- Items and activities that enhance or broaden the schooling experience of students and are offered in addition to the standard curriculum.
- These are provided to students on a user-pays basis.

Voluntary Contributions

- Voluntary contributions support the school to continue to be the best local school for all students and can be for general or specific purpose.
- Students will not be disadvantaged in any way if parents do not make a contribution.

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools obtain school council approval for their parent payment arrangements and upload their arrangements on their school's public website for transparency.
