Curriculum Contributions 2023 Years 7 & 8

Dear parent/guardian,

Broadford Secondary College is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Please complete the attached form and return to the school by **Friday 09th December 2022** so the school can prepare accordingly.

Financial Support for Families

Broadford Secondary College understands that some families may experience financial difficulty and offers a range of support options, including:

- the Camps, Sports and Excursions Fund (CSEF) and State Schools Relief

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements,

contact: Jodie Masters Ph: 03 5784 1200 | **Email:** broadford.sc@education.vic.gov.au

Please note: *Additional school charges may arise during the year. For Example: Camps, Sports & Excursions attract additional charges. If you are eligible for CSEF funding to assist with these costs, please complete your application form at the General Office.*

Refunds

Parent requests for refunds are subject to the discretion of the school and are made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy and any other relevant information. Generally, we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Tania Pearson
