The College also draws students from other primary schools including Wandong, Pyalong and Willowmavin. In 2022, the College had an enrolment of 772 students. The college has a Principal and 3 Assistant Principals, 59 teachers and 27 ES staff which support the administration and welfare programs. We offer a wide range of subjects at VCE and have an established VM program at Foundation, Intermediate and Senior level. The College also offers students an extensive range of VET subjects which can be accessed from Year 10. VET courses delivered on site include Sports Coaching, Engineering and Building & Construction. Other courses are delivered at TAFE colleges which are accessible by train. At Broadford Secondary College we focus on giving every child, every opportunity, every day. The school has recently conducted a major curriculum review focused on the Victorian Curriculum years 7 to 10 as well as VCE audit with unit planning outlines developed and published. This has brought about positive changes in both teaching delivery and student attitudes. Additionally, there are major facilities upgrades occurring, consisting of; a new Literacy / English Centre of Excellence and an upgraded library facility. This has been influenced by our collaborative work with the University of Melbourne focused on Reading. Our Wellbeing staff are located in a recently refurbished space which provides private rooms for consultation with our staff and visiting specialists.
