PRINCIPAL'S REPORT

It has been a very busy couple of weeks, with lots going on at the College.

Congratulations to Glenden Hickson for being staff member of the month. Glenden goes above and beyond with his work supporting House activities. He also took the time to read the start of his new novel, leaving us all in suspense as to what happens next.

The first of the annual Broadland Stalls occurred last week, with Year 8 Jigsaw students being very productive and showing great entrepreneurial skills. Students have reflected on their practice during the week and were open for business again today. Once again, they did an outstanding job of selling their goods. I am sure they enjoyed counting their profits.

Another annual event occurred last week, the BSC Talent Quest. I was honoured to be a judge and congratulate all students who entered. It is extremely difficult and nerve racking to perform in front of your peers. I was very impressed with the degree of talent, making judging difficult. Cody Cartwright was the overall winner rocking the electric guitar, well done Cody.

Ridley house fundraiser also occurred last week, where students had the opportunity to dress in something red and donate a gold coin and purchase a variety of red food. All donations go towards Ridley House's chosen charity, The Royal Children's Hospital. Over \$700 was raised for this cause, well done to everyone who participated.

RAISE mentoring concludes at the end of this term. All volunteer mentors and their mentees enjoyed a small graduation ceremony where they reflected on their positive achievements and wonderful bonds that have been formed over an 18-week journey together.

Community Pride Awards for Term 3 were also celebrated last week, with several students being recognised for their positive contributions to our college community. It was great to see families attend and share in this celebration. Thank you to Nexus Health for supporting our students with these awards.

Continue reading on page 2....

once a term the college undergoes an OH&S Drill. This term was another lockdown drill, where students found shelter within their classrooms in case of a possible gas leak or severe storm occurring. All went well and the drill was over very quickly.

Many students competed in our Spelling Bee Competition. This was a very popular and competitive activity during a long Monday lunch. Congratulations to Ridley House for winning the overall competition and thanks to staff involved in the running of the event, it was very entertaining.

On Monday 16th September Parent/Teacher interviews will be conducted from 10:00am to 6:00pm. I hope you have made appointments on Compass, if not please contact the General Office for assistance. Staff look forward to discussing student achievements and areas for improvement with families. It's through close collaborative connections with families that we see the best outcomes for students.

During the last week of term 3, all year 10 students will undergo Work Experience for the week. I wish them all the very best during this time and hope they uphold our school values whilst at work. This is a great opportunity for students to determine if their chosen pathway is what they imagine it to be. Having a goal to work towards, prior to entering their final years of schooling, gives students the motivation to achieve.

That brings us to the end of yet another term, school will finish at 2:30pm on Friday 20th September and resume on Monday 7th October. Have a safe and enjoyable break.

Year 7 News

Year 7 students had their final assembly of the term this week, marking the end of a busy and productive Term 3. During the assembly, we reinforced the importance of respectful play on the oval and encouraged all students to attend their parent-teacher interviews. We're especially proud of those who received awards for exemplifying our school values and for their stellar attendance. So far this year, our Year 7 students have accumulated an impressive 2,150 positive acknowledgments, reflecting their hard work and commitment to our school community.

Here's to finishing Term 3 strong and looking forward to more achievements in the coming term!

Rylee Majerczak

Southern Ranges Athletics Carnival.

On Thursday 5th September, a group of our students travelled to Shepparton to participate in the Southern Ranges Athletics Finals. Our students showcased exceptional dedication and sportsmanship, making us proud with their outstanding performances against some strong athletes. Well done to the students who finished top in their events. These students now make it through to represent Broadford Secondary College at the Hume Regional Finals, held in Albury at the beginning of Term 4.

We extend our congratulations to Samuel McGhie for earning the title of 'Age Champion' during this meet! Sam competed in the fiercely competitive long jump, triple jump, and high jump events, showcasing outstanding determination throughout the day. Well done Sam!

Year 7 Splash Excursion

On Friday the 30th of August 60 Year 7 students attended SPLASH in Craigieburn. They participated in activities such as water slides, giant inflatables and a water safety session. Students gained knowledge about the importance of being safe in and around water and what they can do if they need help/assistance. They also developed an understanding of how partaking in aquatic activities can be used in order to improve overall health and wellbeing.

Positive Acknowledgments

“Monday morning year 9’s had an assembly to congratulate them on their behaviour this term. So far this term the year 9’s have amassed 1862 positive acknowledgments. Positive acknowledgments are given out by staff to recognise good behaviour. The year 9’s have set themselves a goal of reaching 3000 this year. This assembly also was an opportunity to give out awards to attendance and SWPBS acknowledgments. Well done to all the year 9’s on their behaviour this term and displaying BSC’s values.”

Spellapalooza

The inaugural Spellapalooza was held on Monday the 9th of September to decide the Year level champions for 2024, with each House putting forth two representatives for each year level. There were ten words selected from school vocab lists, ranging across all subjects, from easy words like “Bourgeoisie”, to medium such as “Manoeuvred” and more difficult like “Onomatopoeia”. To keep the pressure on, students were put on a timer.

After six tough rounds and a couple of tie-breakers, the Year Level Champions are as follows:

Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
Elias Haber (Piper House)	Pippa Skala Violet Jacobs (Hickey House)	Zali Patford Ruby Fletcher (Piper House)	Isaac Seeger Abby Miller (Fraser House)	Emmeline Nastevski and Mason Nelly -Garner (Piper House) And Logan Neilson and Kara Swift (Fraser House) (double tie-breaker).	Cassie Zolnierczyk / Dominick McKinlay (Ridley House).

Student/Teacher/Parent Conferences

- ◇ We invite you to join us for our Parent/Student/Teacher Conferences at Broadford Secondary College. This is a great chance to meet with your child's teachers, discuss their progress, and find out how you can best support their learning at home.

The conferences will be held on **Monday, 16th September, from 10:00 am to 6:00 pm**. Please note that there will be no regular classes on this day.

Students are encouraged to attend with their parents or carers. If your child has a tutor, they are also welcome to book a meeting. Joanne Whiteman and Catherine Hoey will be available for consultations throughout the day.

We look forward to seeing you there and working together to support your child's learning. Please book your conferences now through [Compass](#) or contact the office if you are unsure how to do this.

School Saving Bonus

[Information for government school parents and carers](#)

About the School Saving Bonus

The Victorian Government is making life that little bit easier for families by providing a one-off \$400 School Saving Bonus.

This support will help cover the cost of school uniforms, textbooks, and school activities like camps, excursions and sports.

The School Saving Bonus is in addition to existing and continuing means-tested supports for Camps, Sports and Excursions Fund (CSEF) and the Affordable School Uniforms Program.

The School Saving Bonus will be provided to schools and families in Term 4, 2024.

Who receives the School Saving Bonus

The School Saving Bonus is available for parents and carers of all Victorian government school students from Prep to Year 12 in 2025, except for full-fee international students, home schooled students, TAFE students and students attending kindergarten in 2025.

Actions for parents and carers

Parents and carers of children who meet the School Saving Bonus eligibility above are required to do the following by **Friday 18 October 2024**:

Complete enrolment

If your child, or children are changing government school for Term 1 2025, or starting Prep or Year 7 in 2025, please complete enrolment. For more information, read about

[Enrolling in School](#).

Check your contact information

Ensure your contact information is up to date with your school. You can check this information by contacting your school directly.

Accessing the \$400 School Saving Bonus

You do not need to apply for the School Saving Bonus.

The Department of Education will email you in November 2024 with your \$400 School Saving Bonus. You will be able to access it via an online system.

You can decide how to best use the School Saving Bonus for your family's needs.

You can choose how to allocate the \$400 in the online system.

The bonus can be used towards 2025 school costs, which may include:

- camps, trips, excursions and incursions
- swimming and sporting programs
- outdoor education programs
- graduations
- school uniforms
- textbooks.

The bonus can be used at your school's approved textbook or uniform suppliers either in-store or online, or through State Schools' Relief. The list of suppliers may include a school uniform or bookshop. Any amount that you choose to allocate to textbooks and uniforms will be valid until [30 June 2025. It will then transfer to your child's school account for future activities.](#)

Funds will roll over for use in future years if it is not all spent in 2025.

Families with more than one eligible child

Families who have more than one child at the same school can combine their School Saving Bonus payments to use on one child, or for a specific activity. So, for example, a family with 3 children who are all government school students would receive support to the value of \$1,200 and choose how they spend those funds. The School Saving Bonus cannot be combined across different schools.

More information

To learn more about the School Saving Bonus visit vic.gov.au/school-saving-bonus. Translated information will also be available on the School Saving Bonus website in the next few weeks.

Policy

The purpose of this policy is to support public health objectives and ensure there is **no smoking** or use of e-cigarettes (commonly known as 'vaping') on school premises (buildings and grounds), within 4 metres of school entrances or at school sanctioned events held off-premises.

Summary

- In Victoria, a person must not smoke or use e-cigarettes on school premises or within 4 metres of any pedestrian access point to school premises.
- Inhaling vapour from an e-cigarette is known as 'vaping'. When using an e-cigarette, the user inhales and exhales the vapour, which can look similar to smoking a cigarette. The prohibition on smoking includes the use of e-cigarettes (vaping) and applies whether or not the e-cigarette contains nicotine.
- Cigarettes and e-cigarettes cannot be sold to people under 18 years of age.
- It is a legislative requirement that schools display suitable 'No Smoking' signs at all pedestrian access points (entrances) to the school grounds. The legislation defines smoking to include the use of an e-cigarette.
- In Victoria, a person must not smoke in a motor vehicle if a person under 18 years is also present in the motor vehicle.
- Smoking and vaping are also not permitted during school events and excursions held off school premises.

Details

A person must not smoke cigarettes including e-cigarettes (regardless of whether they contain nicotine) within school premises and within 4 metres of any pedestrian access to school premises. Smoking in these places is a fineable offence.

Schools must display 'No Smoking' signs and enforce the ban to prohibit smoking and vaping on school premises (including buildings and grounds) and within 4 metres of school entrances.

The smoking and vaping ban applies to:

- anyone present on school premises during and outside of school hours including students, teachers, contractors, parents or carers or the wider community, such as sporting groups
- all activities that take place on school premises including pre-schools, kindergartens, outside school hours care, cultural, sporting or recreational activities and school fetes.

Smoking and vaping are also not permitted during school events and excursions held off school premises.

Schools must:

- display 'No Smoking' signs at each pedestrian access point to the school premises. Free 'No Smoking' signs can be ordered and downloaded through the Department of Health and Human Services website — refer to the [Resources tab](#)
- display the signs in such a prominent position at each entrance to make it clear that the area at or within 4 metres of that entrance is a 'no smoking' area.

Principals or their delegate should:

- ensure that the whole school community is aware that smoking and vaping are not permitted on school premises and within 4 metres of school entrances. This may be achieved through the signage required at each entrance. If further measures are required (due to non-compliance), notices in the school newsletter, on the school website and direct communication with specific staff, students, parents/carers or visitors who are non-compliant may be required
- remind the school community that smoking and vaping are not permitted at school-sanctioned events held off school premises
- where relevant remind staff that a person must not smoke in a motor vehicle if a person under 18 years is also present in the motor vehicle
- encourage Department employees who require support complying with the ban to either:
 - call the Quitline on 13 7848. Quitline is a friendly, confidential telephone service. A Quitline counsellor is trained to listen carefully and provide practical advice tailored for each person.
 - use the Employee Assistance Program (EAP) or contact LifeWorks (1300 361 008)
- if necessary, arrange training with Quit Victoria on how to support staff and young people to quit
- make tobacco education information available. Education resources are available in the [Resources tab](#).

Electronic cigarettes (e-cigarettes), commonly known as 'vaping'

In Victoria it is illegal for any person aged 18 or over to obtain, possess or use nicotine e-cigarettes, or e-cigarette cartridges containing nicotine, or nicotine liquids for use in a vaporiser, without a prescription. It is illegal to sell e-cigarettes to, or buy e-cigarettes for, any person aged under 18 years whether or not the e-cigarettes contain nicotine. Whilst it is not unlawful for a person to possess or use e-cigarettes that do not contain nicotine, it is unlawful to use them on school premises or within 4 metres of a school entrance.

Resources and school supports

The [Resources tab](#) contains guides to assist schools, parents and the whole school community to talk to children and young people about the dangers of smoking and vaping, and support young people who do smoke and/or vape to quit. Template wording is also available to assist schools in sharing information about smoking and vaping with parents and carers through their school communication channels (for example, their school newsletter).

School and area-based health, wellbeing and inclusion workforces can also assist with providing support to students who smoke or vape:

- Doctors in Secondary School Program
- Secondary School Nursing Program
- Student Support Services Program
- Mental Health Practitioners in Schools
- Primary Welfare Officers
- Koorie Engagement Support Officers.

Consequences for Students Found Smoking, in the possession of cigarettes or vapers, buying cigarettes or vapers from other students or supplying cigarettes or vapers to other students, or as a bystander in the company of smokers or vapers, anywhere in the school environment or whilst travelling to or from school, will be liable to a range of consequences dependent on the circumstance and whether or not previous offences have been recorded, at the discretion of the principal

First incident:

- Inform parent/guardian via phone call
- Official warning
- Incident report recorded on Compass
- Educative conversation with the School Nurse
- Community service
- Exclusion from area where smoking or vaping occurred

Second Incident:

- Inform parents/guardian via phone call and formal letter
- Incident report recorded on Compass
- Referral to Wellbeing team for counselling
- QUIT information supplied to student
- Exclusion from area where smoking or vaping occurred
- Community service and/or detention with Year level Coordinator

Third Incident:

- Incident report recorded on Compass
- Formal letter to parent/guardian
- Suspension from school
- Student support group convened with the student, parent/guardian, year Level Coordinator and Student Wellbeing person

Continued:

If the behaviour continues the student will be suspended for each further incident and support outlined above to continue. In extreme circumstances a student may be expelled.

Definitions

Electronic cigarettes (e-cigarettes) are electronic devices which heat and vaporise liquids that may or may not contain nicotine or flavouring agents. The vapour is inhaled, simulating the act of smoking. Use of e-cigarettes is commonly referred to as 'vaping'.

Reminder: Smoke-Free School Policy

Broadford Secondary College is committed to providing a safe and healthy environment for all our students, staff, and visitors. As part of this commitment, we remind everyone that our school operates under a Smoke-Free School Policy. This means that smoking, including vaping and the use of e-cigarettes, is strictly prohibited.

In the coming weeks, we will be introducing updates to this policy, reinforcing our stance on creating a smoke-free environment.

Please take a moment to review our full Smoke-Free School Policy to familiarise yourself with the details. If you have any questions, please get in touch with the school office for more information.

CONVEYANCE ALLOWANCE

The conveyance allowance is a form of financial assistance to help families in rural and regional Victoria with the cost of transporting their children to their nearest appropriate school/campus. The conveyance allowance is available to eligible students travelling by public transport, private car and private bus. The conveyance allowance is also available to eligible students whose nearest school is not serviced by a free school bus.

Eligibility criteria:

The eligibility criteria varies depending on the type of school attended and where it is located. Students attending a government or non-government school must:

- Attend their nearest government or non-government school/campus appropriate to their year level at which admission is permissible
- be enrolled at a school/campus outside Melbourne's metropolitan conveyance boundary
- reside 4.8km or more by the shortest practicable route from that school/campus attended
- be of school age (5 to 18 years old at time of application) and reside in Victoria.

Please follow the link:

<https://www.education.vic.gov.au/PAL/conveyance-allowance-form-1-car-private-travel.docx>

Closing Dates:

Term 3 – 30 August 2024

Term 4 – 24 November 2024

ATTENDANCE INFORMATION

If you require your student to depart school early, can you please provide a *signed note* for the student to hand to their teacher, this will enable them to leave the classroom and make their way to the General Office.

Can parents ensure that all attendance is updated before 12pm on the day of the student's absence. There are several ways to do this.

- Call the schools attendance line- **57841200 – extension 1.**
- Call the general office- **57841200.**
- Log onto Compass and update attendance- **on homepage find + add attendance note-then add reason, date, and time.**
- Email absences@broadfordsc.vic.edu.au or broadford.sc@education.vic.gov.au
- An unexplained absence message is sent to families at 12.45pm daily- **follow the link to add attendance note.**

Late arrivals to school need to enter via the General Office and sign in on the *Compass Kiosk* using their *Compass Card*, we also ask that you provide a written note to explain why the student is late. Students who can't use the *Compass Kiosk* are asked to speak to the general office staff and they will sign them in.

Notes and Medical Certificates can be handed to staff in the General Office.

Thank you.

Broadford Secondary College 1:1 Device Program 2024

HP PROBOOK 445 G10

LENOVO 500W

At Broadford Secondary College, we recognise the increasing presence and importance of technology in students lives. Technology bridges the gap between school and home and provides students with fun and engaging learning opportunities. That is why we are steadfast in our commitment to being a 1:1 device school.

In 2024, we strongly encourage students to own a 1:1 device that will accompany other essential learning materials each lesson. As a school, we are no longer recommending i-Pads for student use at BSC. Below you will find two school recommended devices that can be purchased through the JB-HIFI Parent Portal which is linked to our school.

FEATURES	Price	Screen Size	Pen	Supports Adobe Suite	Operating System	Battery Life	Memory & Storage
HP PRO BOOK 445 G10	\$978	14-inch	No	Yes	Windows	Up to 14 hours	8GB RAM 256GB SSD
LENOVO 500W GEN 4	\$772	12.2-inch	Yes	Yes	Windows	Up to 11 hours	8GB RAM 256GB SSD

*If your child is interested in undertaking art based subjects, it is strongly recommended that families consider purchasing a device with a pen that supports the Adobe Suite

How to purchase a device through the JB-HIFI portal

- Here's how it works:
1. Go to www.jbeducation.com.au/byod/
 2. Enter the BYOD code as supplied by your school.

Frequently Asked Questions

Is it compulsory for students to have a 1:1 device?

While it is not compulsory for students to have a 1:1 device, it is strongly recommended. With a 1:1 device, students will be able to access the full range of learning opportunities available to them at BSC.

Will students be using their devices in every subject, every day?

Each lesson is composed of a variety of learning activities, some that involve devices whilst others do not. Therefore at times there may be lessons where devices aren't used by students, however it is recommended that students bring their device to every lesson.

Where will students store their devices when it is not in use?

It is strongly recommended that students purchase a protective case to store and secure their device. Devices should be stored in student lockers during break times.

Can a student add their own software to their device?

Specific software required for each subject area can be purchased and installed at the discretion of the family.

Will my child be able to print at school?

Yes. Students will be able to print from school.

Is my child expected to take their device home every day?

Yes, students are expected to take their device to and from school each day.

What IT support is provided by the school?

The school will provide support to connect your child's device to the school network and basic troubleshooting. Any physical repairs to the device will be the responsibility of the family.

What about i-Pads?

As a school, we are no longer recommending students purchase i-pads as their 1:1 device. i-Pads restrict the use of a number of software platforms accessed by students at BSC, most notably the G-Suite. In our experience, students have expressed their preference to have a keyboard, particularly as writing demands increase from Year 7 to 12. Finally, i-Pads provide opportunity for greater distractions from learning as the school has limited ability to monitor inappropriate use of apps such as Snap Chat and various online games.

Can I recharge my device at school?

No. It is expected that students will bring their device to school each day, fully charged.

Can my child access games on their device?

Any games or applications are not to be accessed, used or downloaded via the school network unless instructed by school staff.

What happens if my child leaves their device at home?

It is expected that student devices will be at school everyday. Students who do not bring their device will be significantly disadvantaged as their ability to access lesson activities and materials will be compromised.

Will the device be covered by school insurance while it is being used at BSC?

No. It is the responsibility of families to insure their device if they choose to.

Does my home need internet access?

No. Students will be provided with access to the school network while at school, where they can access the information and basic software they require. If you do have internet access at home, you are welcome to connect the device to your internet connection.
