### Curriculum Contributions 2025 Years 9 & 10

Dear Parent/Guardian,

Broadford Secondary College is looking forward to another great year of teaching and learning and would like to advise you of your financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that curriculum contributions are voluntary.

However, the ongoing support of our families through contributions towards additional costs incurred is vital. We try to keep costs as low as possible and still ensure that our school can offer the best possible education and support for our students.

Students have chosen their electives for next year, and the additional curriculum contributions for each subject are listed on the next page. These are available for you to pay on compass, or you can call the school office to arrange payment by card or bank transfer, and we can also accept cash payments.

We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our college the support in the past has allowed us to upgrade the tennis and basketball courts, add new locker bays, new shade sails around the college, repair and paint classrooms, whilst continually providing maintenance works and upgrades around the college.

Please complete the attached form and return to the school by **Friday 06<sup>th</sup> December 2024** so the school can prepare accordingly.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Tania Pearson  
Principal

Liza Whitfield  
School Council President

### **Financial Support for Families**

Broadford Secondary College understands that some families may experience financial difficulty and offers a range of support options, including:

- the Camps, Sports and Excursions Fund (CSEF)
- State Schools Relief (SSR)

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements,

**contact:** Tanya Fraser Ph: 03 5784 1200 | **Email:** [broadford.sc@education.vic.gov.au](mailto:broadford.sc@education.vic.gov.au)

**Please note:** *Additional school charges may arise during the year. For Example: Camps, Sports & Excursions attract additional charges. If you are eligible for CSEF funding to assist with these costs, please complete your application form at the General Office*

### **Refunds**

Parent requests for refunds are subject to the discretion of the school and are made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy, and any other relevant information. Generally, we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment.
