

Curriculum Contributions 2026 Years 7 & 8

Dear Parent/Guardian,

Broadford Secondary College is looking forward to another great year of learning in 2026. We are proud to provide engaging programs and experiences that support every student to learn, grow, and achieve their best.

Schools provide students with free instruction for the standard Victorian curriculum, and we want to assure families that curriculum contributions are voluntary. However, the ongoing support of our families through voluntary contributions towards additional costs is vital, and helps us to keep costs low while continuing to provide the best possible educational opportunities and resources for our students.

The generous support of our school community makes a real difference. In recent years, we've been able to upgrade the tennis and basketball courts, install new shade sails and locker bays, add outdoor sports and fitness equipment, and carry out regular maintenance and improvements around the College. These upgrades create a better learning environment for all students.

We sincerely thank our families many ways you support the school—through paying the contributions, volunteering, and participation in school activities. Your involvement continues to strengthen what we can offer our students.

Please complete and return the attached form by **Friday 5 December 2025** to help us plan for the year ahead.

For further information about parent contributions, please see the attached one-page overview of the Department of Education's *Parent Payments Policy*.

Thank you for being a valued part of the Broadford Secondary College community.

Yours sincerely,

Tania Pearson
Principal

Financial Support for Families

Broadford Secondary College understands that some families may experience financial difficulty and offers a range of support options, including:

- the Camps, Sports and Excursions Fund (CSEF)
- State Schools Relief (SSR)

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, please contact the Business Manager, Tanya Fraser.

contact: Tanya Fraser Ph: 03 5784 1200 | **Email:** broadford.sc@education.vic.gov.au

Please note: *Additional school charges may arise during the year. For Example: Camps, Sports & Excursions attract additional charges. If you are eligible for CSEF funding to assist with these costs, please complete your application form at the General Office*

Refunds

Parent requests for refunds are subject to the discretion of the school and are made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy, and any other relevant information.

Generally, we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party.

For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment.
